New Superintendent at Glacier National Park; *Public Invited to Installation Ceremony and Reception on Tuesday, August 20*

WEST GLACIER, MONT. – After just one week on the job, Glacier National Park's new superintendent Michael (Mick) Holm is quickly getting oriented to his new staff and surroundings at West Glacier. Although it will take him a while to become familiar with the many park neighbors, stakeholders, opportunities, and challenges at the park, it was announced today that there will be an installation ceremony and reception for Holm as the new superintendent at Glacier National Park.

Regional Director, Karen Wade, from the Intermountain Regional Office in Denver, Colorado, will be on hand to install Holm as the 19th superintendent at Glacier National Park during a ceremony on Tuesday, August 20, 2002, at 6:30 p.m. at the Historic Belton Train Depot. The depot is located on U.S. Highway 2, just east of the entrance to the park at West Glacier.

The public is cordially invited to attend.
